# **2021 Summer Camp Medical Form Instructions**

BSA standards and state laws require accurate medical records for campers and staff. They are also critical to ensure timely, effective care should you or your Scout become sick or injured while at camp. All campers, adult leaders and staff MUST complete the BSA Annual Health and Medical Record form annually. Forms expire after the last day of the 12<sup>th</sup> calendar month from the physical exam date.

Without a completed medical form, Scouts, leaders, parents, and visitors WILL NOT PARTICIPATE in many camp activities including (but not limited to) swimming, boating, climbing, COPE, and sports, and may not remain in camp longer than 72 hours.

Read the medical form carefully. The next page highlights areas that are commonly incomplete. All portions of the form must be completed for ALL summer camp programs. Please take note of the following:

#### Part A

This page contains an important risk advisory, informed consent, and release. Please read this advisory carefully. The participant and parents (if participant is under 18) must sign to acknowledge agreement with the information on this page. This page also includes space to list adults who are authorized (or prohibited) to take this participant to/from events.

#### Part B

Part B contains the participant's contact and insurance information and general health history. Page 2 of this section contains information about medication and allergies. Please complete these sections carefully and accurately. The parents and health care professional must sign to authorize all medication **including non-prescription medication**.

#### Part C.

Part C is the annual physical. This page should be completed and signed by the health care professional conducting the physical examination. Physicals are required for all events lasting longer than 72 hours. Physicals expire after the last day of the 12<sup>th</sup> calendar month from the physical exam date (similar to car inspection stickers)

### Common Mistakes

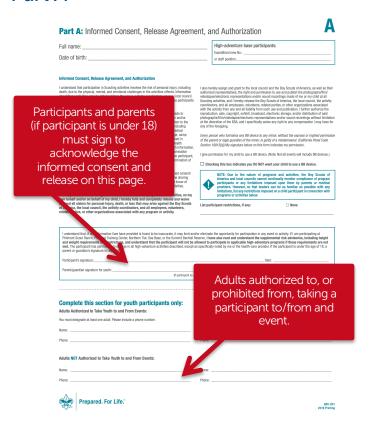

- Missing parent/guardian signature (Part A)
- Missing emergency contact information (Part B)
- Incomplete medication information (Part B)
- Missing signature for non-prescription medication (Part B)
- Missing medical insurance card (Part B)
- Missing complete immunization record (Part B)
- Missing physician signature (Part B & C)
- Physical exam more than 12 months ago (Part C)

NOTE: NH State regulations require that a copy of your complete immunization record be attached to your medical form.

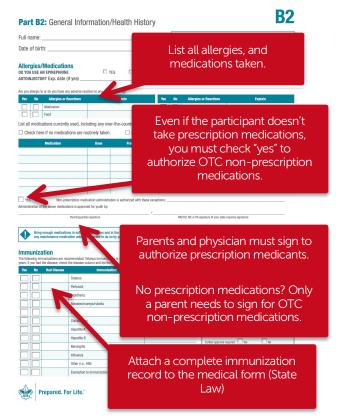

### MEDICAL FORMS ARE NOT RETURNED AT THE END OF CAMP

Always submit a COPY of your medical form. Keep the original for use at other Scouting activities.
