

Building character in the Heart of New England

The Heart of New England Council supports the Scouting programs for over 200 Cub Scout packs, Scouts BSA troops, Venturing crews, and Explorer posts in 62 communities in Central Massachusetts.

A 2015 Tufts University study showed that Scouts are more likely than their non-Scout peers to embrace positive social values and exhibit positive growth in areas of cheerfulness, helpfulness, obedience, kindness, hopefulness, and trustworthiness.

The more time that youth spend in Scouting, the better the outcomes in character development.

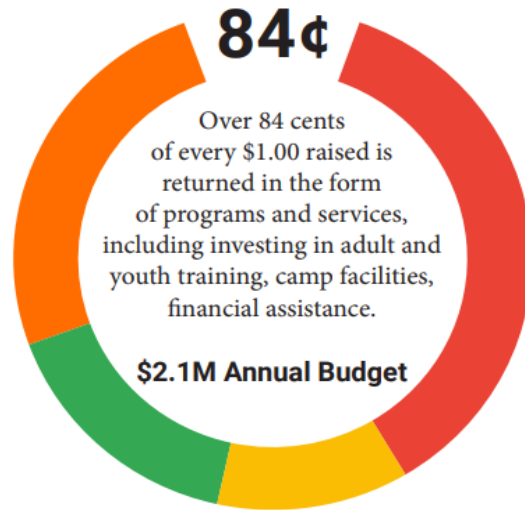

Your participation in the annual Charity Golf Classic will benefit over 4,000 young people in Central Massachusetts.

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law.
